### **GRAND PARENTS' DAY CHALLENGE**

**Dear Parents and Students,**

Assisi School is happy to announce that we intend to pay tribute to Grandparents on 1 October, 2020 in a meaningful way, through a programme "Grandparents Day @ Assisi".

The contribution of the elders in our Society is irrefutably invaluable and it is time we stand up to acknowledge and thank them for all that they have done for us. The present generation stands to gain from imbibing the values, traditions and practices that were so much a part of the lives of their grandparents, but which have unfortunately, been eroded from the present, creating a detrimental impact on society.

On this occasion we make an attempt to revive these lost traditions by organizing a Video Competition wherein grandchildren can get together with their grandparents to learn, in a fun way, from their wisdom and traditional knowledge.
